

Worksheet: Map Your Metrics to Your Initiative Goals

Use this worksheet to document which metrics the implementation team will use to measure and demonstrate progress towards your ACE screening and response goals.

Performance and QI Metrics for _____ ACE Screening and Response Initiative

Initiative goal #1:		
Performance Metric:		
What types of data are needed?	From where will we pull these data?	Are these data available?
		<input type="checkbox"/> Yes <input type="checkbox"/> Unsure - talk to _____ <input type="checkbox"/> No - work/systems customization needed

Initiative goal #2:		
Performance Metric:		
What types of data are needed?	From where will we pull these data?	Are these data available?
		<input type="checkbox"/> Yes <input type="checkbox"/> Unsure - talk to _____ <input type="checkbox"/> No - work/systems customization needed

Initiative goal #3:		
QI Metric:		
What types of data are needed?	From where will we pull these data?	Are these data available?
		<input type="checkbox"/> Yes <input type="checkbox"/> Unsure - talk to _____ <input type="checkbox"/> No - work/systems customization needed

Initiative goal #4:		
QI Metric:		
What types of data are needed?	From where will we pull these data?	Are these data available?
		<input type="checkbox"/> Yes <input type="checkbox"/> Unsure - talk to _____ <input type="checkbox"/> No - work/systems customization needed
